**Annual Report on the
Working of Co-operative Societies
in the Presidency of Bengal**

For the year ending 30th June 1943

Superintendent, Government Printing
Bengal Government Press, Alipore, Bengal
1945

Price—Indian, Re. 1; English, 1s. 8d.

No. 2000-Cal.

FROM C. A. ALI, ESQ., KHAN BAHADUR,
Registrar of Co-operative Societies, Bengal,

TO THE SECRETARY TO THE GOVERNMENT OF BENGAL, CO-OPERATIVE CREDIT AND RURAL INDEBTEDNESS DEPARTMENT.

Dated Calcutta, the 4th May, 1944.

SIR,

I have the honour to submit herewith the Annual Report on the working of Co-operative Societies in Bengal for the year ending 30th June 1943. The report has been prepared in its reduced form in view of the instructions contained in Co-operative Credit and Rural Indebtedness Department memorandum No. 1273, dated 20th April 1942, relating to preparation of Annual Administration Reports.

I have the honour to be,

SIR,

Your most obedient servant,

C. A. ALI,

Registrar of Co-operative Societies, Bengal.

Annual Report on the Working of Co-operative Societies in the Presidency of Bengal for the year ending 30th June 1943.

Administration.

Mr. A. Ahmed, I.C.S., held the post of the Registrar of Co-operative Societies, Bengal, from the beginning of the year till he was succeeded by me on 25th October 1942 and I held the same up to the close of the year. The post of the Deputy Registrar was held by me until I filled the post of the Registrar. Babu Bishnupada Bhattacharjee, Deputy Magistrate and Deputy Collector, employed as an Assistant Registrar succeeded me as Deputy Registrar and continued as such till the close of the year. The post of the Personal Assistant to the Registrar of Co-operative Societies was filled by Babu Sarada Ranjan Dutta Gupta, a member of the Bengal Civil Service. The post of the Chief Auditor was held by Babu Hem Chandra Das except for a short period from 1st February 1943 to 15th March 1943 when it was held by Babu Sushil Chandra Lahiri. In view of the importance of this post it has been decided to appoint a Chartered or Incorporated Accountant as Chief Auditor and steps have been taken accordingly.

(i) **Assistant Registrars.**—The number of Assistant Registrars was 17 as in the previous year. As before one was placed exclusively in charge of the Industrial Societies while the other 16 held charges of the 16 territorial divisions into which the Province has been divided for the purpose of co-operative administration. The number of departmental Assistant Registrars rose from 12 to 13 due to the appointment of Babu Bishnupada Bhattacharjee as Deputy Registrar without replacement. There were only 3 members of the Bengal Civil Service and Bengal Junior Civil Service employed as Assistant Registrars during the year. Half the number of the posts of Assistant Registrars were usually held by members of these services but their proportion has come down because of their reversion to the general line in recent years due to the exigencies of the war.

(ii) **Divisional Auditors.** The number of Divisional Auditors rose from 17 to 18. Sixteen were attached to the offices of the 16 territorial Assistant Registrars. One held the post of the Officer-in-charge of the Co-operative Training Institute, Naogaon (Rajshahi), while the other was employed as Special Officer, Co-operative Marketing, a post created for the first time.

(iii) **Inspectors.**—The total number of Inspectors as in the previous year was 149 including 31 holding temporary posts. Sixteen Inspectors were employed exclusively on the running audit of Central and

important Urban Banks. Two were employed as Instructors at the Co-operative Training Institute. Five were attached to five peripatetic instructional units maintained in each of the five Commissioners' Divisions. The units have been created for imparting co-operative training to the members of village societies, besides holding refresher courses for such of the departmental officers and the staff of the central and other societies who have completed their training at the Co-operative Training Institute. The rest of the Inspectors were employed on general duties.

(iv) **Auditors.** The total number of Auditors was 293 including 20 holding temporary posts. There was no change in the strength. Thirty-two of them were employed exclusively on the running audit of Central and important Urban Banks. Four were employed as Instructors at the Co-operative Training Institute, 5 in the divisional peripatetic instructional units, 2 in the Sugarcane Growers' Unions at Gopalpur (Rajshahi) and Setabganj (Dinajpur) and 9 as Managers of Co-operative Land Mortgage Banks. Others were employed on their normal duties.

(v) **Assistant Auditors.**—The number of Assistant Auditors rose from 31 to the sanctioned strength of 42. They were entrusted with the audit of and other administrative duties connected with the crop loan societies dealing with small seasonal advances.

(vi) **Supervisors.** Seven hundred and thirteen supervisors were employed by the Central Banks as against 772 of the previous year. The fall in number was due to retrenchment necessitated by the present financial difficulties of Central Banks.

The distribution and recovery of crop loans as well as collection of old loan formed, as in the previous year, one of the chief occupation of the departmental officers. Such active assistance was called for in view of the trying conditions through which the movement is passing. They also had to perform the duties of Chairman of 206 Co-operative Special Debt Settlement Boards. Apart from this they had to discharge the statutory duties of audit, inspection and enquiry. They also assisted in the general relief operations undertaken by Government to meet the distress in the province caused by shortage and high prices of food-stuffs. They were further employed on the anti-hoarding drive for procurement of food-grains. Their already heavy work was thus rendered still more arduous and exacting.

Agricultural conditions.—The year was characterised by very adverse agricultural conditions.

Winter rice—the staple food crop of the Province—was seriously affected. The outturn was precariously subnormal. Bhadoi (aus) paddy also did not fare well although it was not as bad as the winter rice. Though its cultivation started under favourable conditions, the jute crop subsequently suffered from draught or excessive rainfall in different areas. The yield was, however, on the whole fair. Sugarcane suffered from flood, cyclone and red-rot disease and the outturn was below normal. Although the *rabi* crops were damaged by heavy rainfall and cyclone in some areas, their harvest was on the whole fair. Cotton, the cultivation of which is mainly confined to the Chittagong Hill Tracts and parts of Mymensingh district, yielded an

average harvest. Other crops also passed more or less through mixed weather conditions but their outturn, though not normal, was moderate on the whole.

Condition of the Agriculturists.—The prices of agricultural commodities shot up like anything towards the latter part of the year. Rice was particularly dear. The average cultivator, however, derived little benefit out of it as he had hardly any surplus which could be sold the harvest being so poor. Only the very substantial agriculturists, whose number is limited, reaped the advantage of this abnormal situation. On the other hand, the price of jute did not rise in the same proportions as other agricultural commodities. The cultivators in the jute growing areas, who had to buy food-stuffs at excessive prices, were involved in considerable difficulty. Acute distress prevailed throughout the province.

GENERAL PROGRESS OF MOVEMENT.

The following table shows the general progress of the movement :—

	Number of societies.		Number of members. (a) Individuals. (b) Societies.		Reserve and other funds. (In lakhs.)		Working capital. (In lakhs.)	
	1941-42.	1942-43.	1941-42.	1942-43.	1941-42.	1942-43.	1941-42.	1942-43.

Progress of Agricultural societies from 1932-33 to 1942-43.

Scale :—

1 Division—3,000 societies, 1 Division—1 lakh members, 1 Division—Rs. 20 lakhs
Reserved Fund, 1 Division—Rs. 100 lakhs working capital.

Progress of Non-Agricultural societies from 1932-33 to 1942-43.

Scale :—

2 Divisions	..	1,000 societies.
2 „	..	1 lakh members.
1 Division	..	Rs. 5 lakhs of Reserve Fund.
1 „	..	Rs. 100 lakhs of working capital

Societies.—The total number of all classes of societies slightly rose from 41,247 to 41,265. The number of Central Banks came down from 121 to 119 as the result of the liquidation of the Nagarpur Arshed Ali Central Co-operative Bank which worked only for one year at a considerable loss and had no prospects of ever being self-supporting in future and the Barguna Central Co-operative Bank which could not commence any work at all, in spite of its having been organised long ago. The number of Producers' Unions remained unchanged at 16. The number of agricultural societies increased from 38,018 to 38,197. The small increase was due to the fact that greater attention was devoted to the consolidation of the crop loan societies which had been organised in large numbers in late years.

The number of non-agricultural societies fell from 3,089 to 2,930 mainly due to the winding up of non-working credit societies. There was, however, an important increase under this class in the shape of purchase and sale (Stores) societies the number of which rose from 50 to 63 indicating an increase of 22 per cent. as against 6 per cent. of the previous year.

Membership.—The total number of individual members of all classes of societies decreased from 14,08,634 to 14,01,565 though the membership of the purchase and sale societies increased by 4,967. The decrease in the number is largely due to the winding up of societies which were not functioning or the working of which was irremediably unsatisfactory.

Working capital.—The constitution of the working capital of the different classes of societies and of the movement as a whole will appear from the statement and graphs below :—

societies. The fall in the case of the Bengal Provincial Co-operative Bank is ascribed to the decrease in the amount of loan received from Government for issue of crop loans and also to excess withdrawals of deposits.

Working capital of the societies.

Loans from Government ..	·02	2·74	·10	·28	45·58	46·01
Total	613·35	605·70	6·80	6·35	692·47	664·18	·21	·21	2,131·88	2,104·90

The total working capital of all classes of societies declined from Rs. 2,131·88 lakhs to Rs. 2,104·90 lakhs, the percentage of decrease being 1·26. The working capital of the Bengal Co-operative Alliance remained stationary. That of the Central Banks showed a substantial increase from Rs. 541·13 lakhs to Rs. 563·34 lakhs. The working capital of the Producers' Unions rose from Rs. 9·09 to Rs. 9·61 lakhs, the percentage of increase being 5·71. There was a fall in the working capital of all other classes of

The decrease in the working capital of non-agricultural societies is conspicuous. This is due to the increasing adjustment of the debts of the members against their deposits. The decrease in the working capital of the agricultural societies, the great majority of which are credit societies, is mainly accounted for by repayments made towards loans of the Central Banks and by less fresh borrowings due to restrictions in use of loans in certain areas necessitated by the unsettled

conditions caused by the war. The scaling down of debts by Debt Settlement Boards and the adjustments of the balance of dues against the owned capital of the societies is another contributory cause. The working

capital of the Land Mortgage Banks declined from Rs. 6.80 to 6.35 lakhs. The difficulty about their obtaining finance was chiefly responsible for this decline.

Owned capital. The percentage of owned capital to the working capital showed an appreciable increase in the cases of the Producers' Unions, the Bengal Provincial Co-operative Bank and the Land Mortgage Banks. That in the case of Central Banks showed a little decline. The percentage in the cases of all other classes of societies slightly rose except in the case of the Bengal Co-operative Alliance where it remained stationary.

Members' and non-members' deposits. The statement below shows the position of deposits as between members and non-members—

Some improvement in the members' deposits was noticed in agricultural societies while non-members' deposits in these societies showed somewhat decline. In non-agricultural societies there was a sharp decline in the deposits of members which is due to paper adjustments of their debts against their deposits as referred to under "working capital of the societies". Non-members' deposits in these societies showed a slight increase.

Loans.—A statement showing issue and recovery of loans to and from affiliated

Year.	*Deposits in Agricultural Societies. (Figures in lakhs.)				Deposits in Non-agricultural Societies. (Figures in lakhs.)			
	Members.	Percentage.	Non-members.	Percentage.	Members.	Percentage.	Non-members.	Percentage.
1941-42 ..	17.00	54.8	14.07	45.2	184.23	41.2	262.48	58.8
1942-43 ..	17.98	56.5	13.82	43.5	159.72	37.6	265.13	62.4

*Excluding Land Mortgage Banks.

societies of Central Banks is furnished below :—

(Figures in lakhs.)

Year.	Loans outstanding at the beginning of the year.	Loans granted to societies during the year.	Loans paid by societies during the year.	Percentage of recoveries to total dues.	Loans outstanding at the end of the year.	Interest outstanding.
1941-42	332.65	38.64	57.82	15.4	308.90	179.06
1942-43	308.90	33.92	35.52	10.3	304.70	194.59

Loans to the extent of Rs. 33.92 lakhs were issued to the societies against Rs. 38.64 lakhs of the previous year. The considerable fall in the issue of loans is largely accounted for by the fact that restrictions were observed in issue of fresh loans in certain areas where unsettled conditions prevailed due to the war. Recoveries showed an excess over issue by Rs. 1.60 lakhs against 18.68 lakhs of the previous year. The fall in recoveries was due to the acute economic distress in the province.

Purpose of loan issued.—A statement showing classification of loans issued to individual members during the year by the agricultural societies of all classes (except Land Mortgage Banks) according to their objects is furnished below :—

Purpose of loan.	1941-42.		1942-43.	
	Amount (in lakhs).	percentage.	Amount (in lakhs).	Percentage.
1. For cultivation expenses	41.12	78.98	25.64	70.36
2. For purchase of cattle	2.20	4.40	1.71	4.69
3. For payment of revenue kist and rent.	.44	.84	.04	.10
4. For improvement of land	.45	.87	.05	.18
5. For trade	.39	.75	.12	.32
6. For buying or repairing buildings and houses.	.02	.04	.18	.49
7. For purchase of land	.58	1.10	.57	1.56
8. For purchase of food and necessaries of life.	6.39	12.28	7.05	20.99
9. For education purpose
Total	51.68	99.26	35.96	98.59
10. For paying prior debts	.12	.22	.45	1.23
11. For marriage, ceremonials, litigation and other non-productive purposes.	.27	.52	.03	.08
Grand Total	52.07	100	36.44	100

The societies now confine only to the supply of seasonal credit to their members. They no longer issue long terms loans which are now catered through the medium of Land Mortgage Banks although facilities for such loans are not yet available in all the districts due to the limited number of such banks.

Issue and recovery loans to and from members of agricultural credit societies.—A statement showing issue and recovery of loans to and from members of agricultural credit societies other than Land Mortgage Banks is given below :—

(Figures in lakhs.)

Year.	Total outstanding loans at the beginning of the year.	Loans granted to members during the year.	Recoveries during the year.	Total outstanding at the end of the year.	Of which overdue.	Percentage of overdue.
	Rs.	Rs.	Rs.	Rs.	Rs.	Percent.
1941-42	302.78	48.85	56.25	352.04	328.52	93.3
1942-43	352.04	31.51	37.10	316.45	308.07	88.9

Loans to the extent of Rs. 31.51 lakhs were issued against Rs. 48.85 lakhs of the previous year to the members of agricultural credit societies. Of this amount Rs. 4.93 lakhs were supplied from the own funds of the societies and the Central Banks and the rest was advanced by the Government. Recoveries amounted to Rs. 37.10 lakhs showing an excess of Rs. 5.59 lakhs over the loans issued during the year. Such excess during the previous year was Rs. 7.40 lakhs. The fall in recoveries was due to the acute economic distress in the the province as has already been mentioned under "Loans". The position with regard to overdues has shown an improvement. The percentage has come down from 93.3 to 88.9.

Percentage of overdues to loans due by members.—The statement below shows the percentage of overdues to loans due by members in agricultural and non-agricultural societies :—

Year.	Agricultural Societies.*			Non-agricultural Societies.		
	Loans due by individual members (in lakhs.)	Of which overdue (in lakhs.)	Percentage of overdue.	Loans due by individuals members (in lakhs.)	Of which overdue (in lakhs.)	Percentage of overdue.
1941-42	354.02	329.52	93.0	547.38	63.54	11.6
1942-43	344.36	308.87	89.7	492.81	59.38	12.0

*Excluding Land Mortgage Banks.

The percentage of overdues in agricultural societies (excluding Land Mortgage Banks) shows a decline from 93.0 to 89.7.

There was slight increase in percentage of overdues from 11.5 to 12 in the case of non-agricultural societies.

Land Mortgage Banks.—Statement B-1 of this Report shows the operation of the existing 9 Land Mortgage Banks. As in the previous year, their business suffered from want of finance this year also. Funds provided by Government for financing these banks were actually available at the end of March 1943 when nine months of the year had elapsed.

Loans to the extent of only Rs. .03 lakhs were issued as against Rs. .34 lakhs of the previous year. The 4 new Land Mortgage Banks as well as 3 of the old could not issue

any loan. There was an appreciable improvement in the recoveries of loans from the members of the 5 old Land Mortgage Banks. Rs. 0.86 lakhs was recovered during the year on account of principal as against Rs. 0.55 lakhs of the previous year. The overdues declined from Rs. 0.43 lakhs to Rs. 0.22 lakhs.

Classification of agricultural credit societies.—The following table shows the classification of agricultural credit societies (other than grain banks) arranged according to the districts of the Province.

Agricultural Credit Societies other than grain banks.

Districts.	Number of societies.			Thoroughly good societies.	Fairly good societies and showing evident signs of progress.	Average with some arrears in loan accounts and general working not very satisfactory.	Bad societies which may progress if reconstituted.	Very bad societies which should be cancelled should they fail to be reconstituted.	Societies under probation and not classed.

The number of D and E class societies showed an increase. The deterioration in

the classification is the effect of economic distress in the Province.

Co-operative Special Debt Settlement Boards.—The number of Co-operative Special Debt Settlement Boards continued to

be 206 as in the preceding year. A statement showing their working is given below :—

Year.	Number of Co-operative Special Debt Settlement Boards.	Application.		Applications disposed of.	Applications dismissed.	For all claims settled.				Number of cases settled.	Awards under section 19 (1) (a).				Awards under section 19 (1) (b).

1942-43	..	02	..	03	79	19	31,237	16,238	22,716	47

These Boards showed a further progress in the matter of disposal of cases, settlement of claims and passing of awards. The number of applications filed is larger than that of the previous year. The percentage of dismissal also slightly came down. The disposal of cases should, however, be quicker. It is only the expeditious settlement of old debts that can help in removing the present stagnation. A large proportion of members have yet to come before these Boards. The position should be improved by more intensified propaganda and by taking suitable actions under the Bengal Co-operative Societies Act, 1940, which would have the effect of compelling them to go to the Debt Settlement Boards for settlement of their debts according to their repaying capacity. It is up to the departmental officers and the financing banks to see that every member applies to the Debt Settlement Board for settlement of his debt without further delay unless he pays it up amicably. The earlier the liquification of frozen debts, the better the chances for the rehabilitation of the movement.

Profits and losses and revenue income and expenses of the Provincial Bank, Central Banks and other societies:—The Bengal Provincial Co-operative Bank worked with a revenue deficit of Rs. 0.72 lakhs as against Rs. 0.92 lakhs of the previous year. The net cash revenue income of the Central Banks was Rs. 15.27 lakhs and their cash revenue expenses amounted to Rs. 13.16 lakhs as

against 17.13 lakhs and Rs. 15.44 lakhs respectively of the preceding year. Fifty-four Central Banks could not fully meet their revenue expenses out of their realised income, the deficit being more prominent in the cases of (1) Khepupara, (2) Bogra, (3) Manikganj, (4) Dhanbari, (5) Pigna, (6) Katwa and (7) Tangail Central Banks. Six Central Banks, viz., Padmapara, Matlab, Nabinagar, Baira, Darjeeling and Ranaghat worked at a loss even on paper.

The Central Banks have since generally improved their revenue position by supplementing their normal income with profit earned by serving as Government agents for distribution of controlled commodities and standard cloth.

Three of the five old Land Mortgage banks worked at a profit. The Pabna Land Mortgage Bank though worked at a profit last year could not maintain this position due to shrinkage in its investments and incurred a loss of Rs. 298. The Jessore Land Mortgage Bank had a similar set back in its business and worked at a larger deficit this year. The deficit was Rs. 1,276 as against Rs. 536 of the previous year. There was general contraction in the business of Land Mortgage Banks due to difficulty regarding finance. This difficulty has now been removed and the Government is advancing funds for financing these banks. The four new Land Mortgage Banks which were established during the latter part of the previous year could not make any investment.

The agricultural credit societies other than Land Mortgage Banks incurred a reduced net loss of Rs. 2.63 lakhs as against Rs. 5.51 lakhs of the previous year. The chief reason for this loss was the scaling down of debts of members of rural societies by Debt Settlement Boards while the liabilities of the societies to the financing banks remained unaffected.

The Agricultural Purchase and Sale Societies including multi-purpose (Marketing) societies earned a commendable profit of Rs. 5.69 lakhs as against Rs. 1.31 lakhs of the preceding year. The Central Co-operative Paddy Sale Society earned a profit of Rs. .13 lakhs this year as against Rs. .02 lakhs of the previous year. The Calcutta Milk Societies Union recovered its position and earned a profit of Rs. .14 lakhs as against a loss of Rs. .03 lakhs of the previous year.

The ten industrial Unions earned a total profit of Rs. .74 lakhs as against Rs. .24 lakhs of the preceding years.

The non-agricultural credit societies generally maintained their solvent position. They earned a total profit of Rs. 10.10 lakhs as against Rs. 12.05 lakhs of the previous year. The decrease in profit is due to the contraction in their working capital and also due to the reduction in their lending rates by way of relief to their members.

Audit fee.—Rs. 4.96 lakhs was assessed as total audit fees during the year. The total demand was Rs. 17.26 lakhs including arrears of Rs. 12.30 lakhs. The total realisation amounted to Rs. 3.83 lakhs as against Rs. 3.63 lakhs of the previous year. The expenditure incurred for the maintenance of audit staff during the year was Rs. 5.74 lakhs of which Rs. 4.98 lakhs was chargeable from the audit fees fund, the balance of Rs. 76 lakhs being debited to the Provincial revenues on account of anti-malarial and infant societies which are audited free of charge.

The collection of audit cess slightly improved during the year but was inadequate and was not even equivalent to the current year's assessment. The deficit was met, as in the last year, out of the previous accumulation in the fund which was further depleted.

The question of improving the collection of audit cess is engaging attention of the department and a collection drive has specially been arranged during the present year. A proposal for revision of the existing rates of audit fees so as to secure a more equitable assessment as between agricultural and non-agricultural societies is under the consideration of Government. The existing rates in the case of agricultural societies call for reduction in view of their present deteriorated financial condition while there is scope for charging audit fees at increased rates in the case of non-agricultural societies the

financial position of which compares very favourably with that of the agricultural societies.

Liquidation.—The following table will show the state of progress of liquidation.

(Figures in lakhs.)

Year.	Gross collection in all liquidated societies.	Liabilities met.		Audit fee paid.	Management cost.			Total disbursement.
		Central Banks.	Others.		Pay of establishment.	Other.	Total.	
1941-42 ..	4.66	2.41	1.75	.16	.18	.11	.29	4.61
1942-43 ..	4.09	1.68	1.82	.17	.18	.10	.34	4.01

Year.	Number liquidated during the year.	Number whose liquidation proceedings closed.	Total number of liquidated societies at the end of the year.	Total liabilities at the beginning of the year.		Total liabilities at the end of the year.	
				Out-ide.	Other.	Out-ide.	Other.
1941-42 ..	115	95	1,637	56.41	25.03	58.03	26.33
1942-43 ..	230	45	1,822	57.82	30.63	56.00	29.75

Two hundred and thirty societies came under liquidation during the year under report as against 115 of the previous year. Collection shows a fall but the total liabilities came down from Rs. 58.03 lakhs to Rs. 56.00 lakhs in spite of increase in the number of societies placed under liquidation. The collection of audit fees also showed an increase from Rs. .16 lakhs to Rs. 0.17 lakhs. The cost of management rose due to the increase in the number of liquidated societies.

Government assistance to the movement.

The entire cost of maintaining the Co-operative Training Institute and the five peripatetic instructional units operating in five Commissioners' Divisions, amounting to Rs. 41,655 was met from the Provincial revenues.

The Government of India grant for the development of handloom industry as allotted to this Province during the year amounted to Rs. 1,03,528. Of this Rs. 78,800 was allocated to this Department and the rest to the Department of Industries. This was the eighth year of the grant. Such grant for the previous year amounted to Rs. 1,03,528 of which Rs. 79,218 was allotted to this department and the remainder to the Department of Industries. The amount actually drawn during the year was Rs. 53,522-10-6 as against Rs. 59,323-12-0 of the preceding year, so far as this Department is concerned.

The Gopalpur and the Setabganj Sugar-cane Growers' Unions drew a total amount of Rs. 6,764 as against Rs. 8,682 of the

previous year as grant from the Sugar Excise Fund of the Government of India for the development of Sugarcane Growers' Co-operative Societies.

The Bengal Provincial Co-operative Bank received from the Provincial Government the 7th instalment of the annual grant of Rs. 2 lakhs to enable it to write off the losses it sustained in its dealing with the jute sale societies. The salary of the Special Officer attached to the bank was also met by the Government.

The entire cost of management in the case of the four new Land Mortgage Banks as also the net loss incurred by the Jessore and Pabna Land Mortgage Banks during the year was met out of the provincial revenues.

Rupees 1,982 was received from the Provincial Government as against Rs. 1,987 of the previous year for distribution amongst societies composed of backward classes by way of grant towards the maintenance of their clerical staff for keeping accounts.

The Sale and Supply Society in the Chittagong Hill Tracts received Rs. 673 as cost of maintenance of the staff as against Rs. 637 of the previous year.

The Bengal Co-operative Alliance was assisted with a grant of Rs. 6,500.

The Goalundo Fisherman Society received a total grant of Rs. 1,200 during the year to enable it to meet its cost of establishment. Similarly, the Satkhira Central Bank in the district of Khulna and the Chakar Central Bank in the district of Backarganj received grants of Rs. 840 each for the same purpose.

General.—The most important event during the year was introduction of the Bengal Co-operative Societies Act, 1940, and the Rules thereunder which came into force with effect from 2nd July 1942 superseding the Co-operative Societies Act (Act II of 1912). Much of the deficiency of the old Act has been made up in the new Act and the democratic character of the Co-operative institutions at the same time maintained. While on one hand it is stringent in character and makes effective provisions against the mal-administration of a Co-operative Society, on the other it is liberal in its outlook and provides for transfer of the powers of the Registrar to a well-managed co-operative society in respect of any other co-operative society which is its member.

The year was characterised by scarcity and high prices of food-stuffs and other essential commodities. Paddy, the staple food crop of the Province yielded an abnormally poor harvest. On the other hand there was slump in the market of jute—an important cash crop in this Province. As a result the collection of the dues of the co-operative societies was considerably affected. The restriction imposed on movement of boats in the coastal areas where it is the

usual means of communication and compulsory evacuation of certain areas due to the exigencies of the war also contributed to the fall in collection of the dues.

The policy of consolidation and cautious expansion was followed during the year under report also. Crop loans, as in previous years, were issued to the members of co-operative societies to meet their cultivation expenses. The liquification of frozen assets of rural credit societies through the conciliation of old debts by the Co-operative Special Debt Settlement Boards continued. The members were encouraged to give up their dilatory attitude and come forward in larger numbers to have their debts settled by those Boards according to their repaying capacity.

There was shrinkage in the investments of the Land Mortgage Banks due to their inability to issue fresh loans owing to the difficulty about finance. The Bengal Provincial Co-operative Bank was financing these banks as a temporary measure pending floatation of debentures, which were not, however, issued on the advice of the Reserve Bank of India owing to the unsettled money market conditions. It did not suit this Bank to advance out of its short term deposits the long term credit needed by the Land Mortgage Banks and further financial accommodation was discontinued. Ultimately Government undertook to finance these banks and funds were available towards the close of the year.

The jute sale societies were established as an experimental measure at Belakoba (Jalpaiguri) Sarisabari (Mymensingh) at the instance of the Indian Central Jute Committee. The old jute sale societies came to a collapse mainly on account of their speculative business policy. The line of business of the new societies hardly allows any scope for such speculation. They receive their members' jute, grade it and then sell it to the local balers without retaining the stock any longer than is absolutely necessary. The advantage of better price realised on sale of jute by grading goes ultimately to the producers who often stand to considerably lose by sale of their produce on "estimation" basis to the dealers. These societies have also been provided by the Indian Central Jute Committee with peripatetic grading parties who go round the villages and teach the cultivators how to grade their own jute and also to improve the quality. The Indian Central Jute Committee is paying a subsidy to these societies by way of encouragement to meet their establishment cost. They were able to declare encouraging bonus to their members.

The two Sugarcane Growers' Co-operative Societies' Unions at Setabganj (Dinajpur) and at Gopalpur (Rajshahi) were handicapped in their activities owing to the indifferent attitude of the Sugar Mills towards them. A Provincial Sugar Board

has lately been constituted by the local Government to look after and harmonise the interests of both the Sugar Mills and the cane growers. It is expected that the Unions will now be in a position to carry on their functions with greater facilities and render better services to the producers.

The Government has undertaken procurement and distribution of certain commodities to meet the present food situation in the Province. This has given an opportunity to a large number of Central Banks besides the multi-purpose societies, to act as Government Agents in the matter of procurement and distribution and improve their revenue position by earning commission to their considerable relief.

The multi-purpose societies earned a substantial profit as has already been mentioned. They mainly market paddy and the price of this commodity rose abnormally high and they were able to dispose of their stock at a very advantageous market indeed.

The special feature of the year under report was an increasing demand for Co-operative Stores obviously due to the war-time necessities. Their number rose from 50 in the last year to 63 in the year under report. The important Central and Urban Banks and village societies were also permitted as an emergent measure to open a store for equitable distribution of controlled commodities. This went to check mushroom growth of Stores Societies.

Official and non-official assistance.—The District and Subdivisional Officers generally showed sympathy and interest for the movement. Non-official co-operators also rendered assistance.

My thanks are due to all officers of this Department who worked hard and helped me in carrying out the administration.
